

0361-0006 Bottle carrier for 6 bottles up to max. 95 mm Ø

Declaration of conformity

for plastic materials that come into contact with foodstuffs

Identity of material

Polypropylen

Confirmation of conformity

Hereby, our supplier declares that the above-mentioned product complies with Regulation (EU) No 10/2011 and Regulation (EU) No 1935/2004 - in the respective current version - as well as national requirements.

Information on substances used or their degradation products (NIAS) with restrictions

The materials and basic materials used comply with Regulation (EU) 10/2011.

The total migration as well as the specific migrations are below the legal limit values when used in accordance with the specifications (OML, SML).

The assay was carried out: Articles 17 and 18 of Regulation (EU) No 10/2011 in conjunction with Annex V.

Specification for the use of SML substances: No substances with restrictions (SML) are used.

Information about dual-use substances

No dual-use additives are used.

Specifications for use

Types of food that are allowed to come into contact with the material: all foods

Duration and temperature of food contact: 10 days at 40 °C

Relationship between contact area and volume, on which the conformity assessment is based: 2,9 dm² / 0,35 l

Test conditions :

Tested simulants	Contact time	Contact temperature
acetic acid 3 %	240 h	40 °C
ethanol 50 %	240 h	40 °C
ethanol 95 %	240 h	40 °C
isooctane	48 h	20 °C

Multilayer material or functional barrier

No functional barrier is used.

Additional information

It is confirmed that the above-mentioned materials comply with the following currently valid regulations for the respective purpose of use:

Regulation (EU) No. 2023/2006 (GMP)

Regulation (EU) No. 1907/2006 (REACH)

Food-, consumer goods and feed law (LFGB)

Consumer goods regulation (BedGgstV)

Specifications of the respective relevant recommendations of the Federal Institute for Risk Assessment

The colorants used comply with the following currently valid regulations: BfR Recommendation IX "Colorants for coloring plastics and other polymers for consumer goods".

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 2284-08.
